How Many is One Hundred?

(to the tune of "Mary Had a Little Lamb")

How many is one hundred,
One hundred, one hundred,
How many is one hundred?
It's ten groups of ten.

How many is one hundred,
One hundred, one hundred?
How many is one hundred?
It's twenty groups of five.

How many is one hundred,
One hundred, one hundred?
How many is one hundred?
It's fifty groups of two.
