BEAR'S LOST GLASSES, Leo Timmers

Where did I put my glasses ?
I can't see a thing without them !

I must have left them at Giraffe's.

Thank goodness it's not far.

Hey, a deer. I've never seen one here before.

Where did this crocodile come from ?

What now ? An elephant !

That flamingo is new here too.

And look, a snake.
Snake ? I'm not a snake.

What do you mean, not a snake ?
It's me !
Sorry, I've lost my glasses.
Here are your glasses.

GIRAFFE !

I knew I'd left my glasses here.
You'll never believe who I saw on the way.
Tell me !

I saw a **DEER**
A **CROCODILE**
An **ELEPHANT**
And a **FLAMINGO** !

Really ? Around here ?
Follow me.
I'll show you.

Um... I can't see a flamingo, Bear.
Or an elephant.

Where that crocodile gone ?
And the deer ?

I don't get it.
There must be something wrong with glasses.

Oh, Giraffe !
Look there !
Can you see them too ?

Three **LIONS** !
