1 The challenge

Create a digital book based on the book « I'm the best » * from Lucy Cousins, with funny new illustrations created by the students & the students' voices, to tell the new story.

* « Je suis le meilleur » in French, « Sono il migliore » in Italian « Ich bin der beste » in German, « I'm the best » in English.

It can be a monolingual book or a multilingual one. Classes can collaborate on e-Twinning for the text & illustrations.

It can be the same story with new characters and actions, or the same frame but different topics or even the story's next chapter of the book with new adventures or a surprising end.

The parents, other schools in Savoie, in Europe via e-Twinning and the jury will vote for the best digital book for each category.

2 Use of voice and image

The retention period may be extended as long as the medium is of educational interest for future editions of the artistic and linguistic challenge.

Information

The purpose of this application is to obtain consent and the necessary authorizations for the recording, capture, exploitation and use of students' images (photography, voice), whatever the process envisaged. It is formulated within the framework of the project specified on the back of the page, and the objectives have been explained in advance to the students and their legal guardians.

This authorization is granted free of charge. The producer of the audiovisual work created or the beneficiary of the recording will exercise all exploitation rights attached to this work/recording. The work/recording will remain its exclusive property. The producer/the beneficiary of the authorization expressly agrees not to transfer the present authorizations to a third party.

Having regard to the French Civil Code (article 9), the Universal Declaration of Human Rights (article 12), the European Convention on Human Rights (article 8) and the Charter of Fundamental Rights of the European Union (article 7).

Having regard to European General Regulation N°2016/679 of April 27, 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of data (RGPD) and to Law n°78-17 of January 06, 1978 relating to information technology, files and freedom

The data collected on this form is processed by the Academic Director of National Education Services for Savoie (to manage parental authorizations to record and use the image, voice and work of a minor) in order to fulfil a mission of public interest. This data is kept for the duration of the use of the image, voice or work, as set out in paragraph "2 – Use of voice and image ". Information concerning you and your child will be transmitted only to the persons in charge of processing the present authorization.

You have a right of access to your personal data, a right of rectification, a right of opposition and a right to limit the processing of your data. You also have the right to erase the image/voice recorded and used in the context described above.
